

**South Carolina Association for Pupil Transportation  
2010 Annual Summer Workshop  
“Together we make the Difference”**

**Dear Colleague:**

*I would like to invite you to attend the 35<sup>th</sup> Annual South Carolina Association for Pupil Transportation Workshop and Trade Show at the Columbia Metropolitan Convention Center in Columbia, South Carolina. We are very excited this year to be combining our workshop with the historic 60<sup>th</sup> Annual Southeastern States Pupil Transportation Conference (SESPTC). The Workshop dates will be Sunday, July 11th through Wednesday, July 14, 2010. If you've never attended the SESPTC you're in for a real treat. Please be sure and don't miss this opportunity to attend.*

*In addition to the tremendous program that SESPTC routinely provides (see Conference Program) the workshop will continue to feature the SCAPT Awards Luncheon, sessions from the SC Department of Education, and a motivational keynote speaker to make you smile. If you are interested in the annual Golf Tournament on Sunday, July 11, there will be information regarding registration on our web page at [www.scapt.org](http://www.scapt.org) or you may contact Mark Catoe at [mcatoe@ed.sc.gov](mailto:mcatoe@ed.sc.gov)*

*Our registration fee has been adjusted to a very reasonable level that should allow everyone the opportunity to attend. This fee will include full Conference & Trade show attendance, as well as membership with NAPT & SCAPT. Please complete the attached workshop registration and return it to us as soon as possible, preferably before June 25, 2010. Hotel reservations can be made at one of our two sponsoring hotels listed at [www.scapt.org](http://www.scapt.org). Please be sure and identify yourself as being with the SESPTC / SCAPT conference.*

*Once again this year has been one of challenges and changes for us all. As always, you, the Transportation family have endured by being resourceful, creative, and innovative. That's our trademark. Along with your tremendous dedication and knowledge you continue to be innovative in ways that sometime defy the definition. After all, that's what the Children, Parents, and School Administrators have all come to know. So on behalf of myself and the entire SCAPT board, we once again say Thank You! I look forward to seeing you in Columbia.*

*“Be alert to give good service. What counts a great deal in life is what we do for others”.*

*Sincerely,*

*Mike Bullman, SCAPT President
